

PROJECT PROFILE

DRAGON COURT, LONDON WC2

Client: Royal London
Architect: Orbit Architects Limited
Services Engineer: The Anslow Partnership
Quantem Role: Cost Consultant
Completion: TBC
Budget: £1.85m

Project Description:

Refurbishment of existing offices to a CAT A fit-out standard. The offices are spread across 3nr levels (Basement, Ground & First) with an area of approximately 1,800m². Works mainly involve the strip-out and renewal of the mechanical and electrical services together with minimal building works (including reconfiguration). Works to be undertaken during tenant occupation.
