

PROJECT PROFILE

NEW BOND STREET, LONDON W1

Client: AXA REIM
Architect: Chapman Associates
Consultant: INK – Project Management
Quantem Role: Quantity Surveying
Completion: August 2009
Budget: £3.4m

Project Description:

Strip-out of existing building on New Bond Street in the West End of London while keeping the ground floor retailer in operation. Infilling the existing light wells at upper floors to increase revenue potential and the addition of a new floor at roof level. The fit-out involves finishing two upper floors to an office Category A standard and the two top floors to a high residential specification.
