

PROJECT PROFILE

ST MARY CRAY, BROMLEY

Client: Salmon Pink
Architect: Union North
Planning Consultant: Nathaniel Litchfield & Partners
Quantem Role: Quantity Surveyor
Completion: TBC
Budget: Circa £18m

Project Description:

Refurbishment of 2No existing residential tower blocks in Bromley through a joint venture with the local authority and developer. Development of the existing car park area towers gives an opportunity for a greater density of housing, retail and local community support centres.
