Client: BAA Morley  
Architect: Reid Architecture  
Consultant: WSP  
Quantem Role: Quantity Surveyor  
Completion:  
Budget: £1.0m

Project Description:  
Ware house facility adjacent to Heathrow Airport. Providing 11,600 sq ft of ware house facility together with 1,700 sq ft of supporting office accommodation.

Quantem worked with the team to maximise the efficient use of the restricted site area and add value to the scheme.
