

PROJECT PROFILE

VICTORIA COURT, ACTON

Client: (Clients Name Withheld)
Architect: Liam Russell Architects
Structural Consultant: Prinquer James Consulting Engineers
Quantem Role: Project Manager & Quantity Surveyor
Completion: May 2009
Budget: £2.5m

Project Description:

Extension to existing owned block of 48 residential flats to provide an additional 6 flats and 2 maisonettes. The project also includes works to upgrade external appearance and internal common areas incorporating landscaping works. Project phasing and co-ordination has been carefully programmed to allow works to continue without having to relocate any existing residents.
